ABOUT US

Magnus Group takes pride to announce the **"9th Edition of World Nanotechnology Conference"** (Hybrid Event) during **October 28-30, 2024** at **Baltimore, MD, USA**. **Nanotechnology-2024** includes numerous interactive sessions specifically designed for highly acclaimed educational activity which has been considered one of the predominant meetings on Nanotechnology. Nanotechnology 2024 creates real networking with scientists and researchers from research institutes, companies and laboratories. The conference runs on the theme **"Future Horizons: Emerging Trends in Nanotechnology."**

A good conference forces you to grow and gives you new challenges. Meet established peers and make new connections around the

world which is a great opportunity to network. Your chance of learning new skills and updates in the field greatly improves when you are sharing the same space as eminent experts, professors and business partners. This Nanotechnology 2024 is the International platform which brings together the collection of investigators who are at the forefront in the field of Nanotechnology. The scientific program will include oral presentations of sub-disciplines, keynote sessions led by eminent scientists and poster sessions presented interactively by junior scientists and graduate students. It is the ultimate meeting place for all the experts worldwide for new interdisciplinary scientific collaborations and networking.

With its scientific sessions, you are provided assurance to explore the latest technologies and breakthroughs that are specific to your area of work. No doubt the event has a broad scope of topics and continued in parallel sessions relative to the specific area of research.
